CONTENTS

Foreword 1

Tim Reed, MYOB CEO

Introduction 3

A dream come true 3

Who is this book for? 5

PART I: LAYING THE FOUNDATIONS

1. The foundations 9

It's a bit like building a house 10

Now what about starting a business ... 11

2. What structures are there to choose from and what do they really mean? 15

Why do business structures matter? 15

What options are there? 16

Can I set it up myself? 22

What registrations do I need and where do I go to get them? 23

3. Accounting systems 27

Do I *really* need an accounting system? 27

So then what are my choices? 28

You've mentioned add-ons – what is an add-on and do I need one? 36

What's this cloud thing everyone is talking about and is it safe? 37

Where do I go to get advice on what system I should use? 41

How much is this system going to cost me? 45

What do I need to do in preparation for setting up a system? 47

Everyone talks about a General Ledger – can you tell me what it actually is? 49

I hate filing – seriously, do I need to do this? 50

Keep your business and personal finances separate 53

PART II: GETTING DOWN TO BUSINESS

4. Invoicing and paying the bills 59

Let the games begin 59

Giving customers credit accounts 62

Make it easy for your customers to pay you 63

I've finished the job and I haven't been paid. What do I do now? 68

Chasing money owed to you 69

I've been chasing the money but still I'm not getting paid. Where to now?

What are my options? 73

Should I send statements? 74

Paying the bills 75

Managing supplier invoices 76

What about when I'm struggling to pay the bills? 77

5. Paying your staff – and yourself! 79

But they've got an ABN so I don't need to worry about this stuff, right? 83

What is SuperStream? Where did that come from? 85

But what about me? How do I pay myself? 87

The real world ... 90

How much should I pay myself? 91

Can I pay my spouse? 92

6. Automating the boring stuff 93

Bank feeds are life changing 93

Bank rules are the bomb 95

If I use bank feeds do I still need to do bank reconciliations? 97

Contents

PART III: BAS'S, TAX AND THE DREADED 30 JUNE

7. Congratulations, you're in a relationship ... with the ATO 101

But I don't want to pay tax ... 101

But our tax system isn't fair; big business isn't paying their fair share of tax but us small businesses are expected to 102

The ATO scares me 102

Is an accountant the same thing as a tax agent? 103

Choosing an accountant 105

8. Okay ... time to talk tax 113

How many business taxes are there and what are they? 113

Am I paying too much income tax? 115

Tax deductions 119

When is my tax return due? 122

What is PAYGI and why am I paying it? 123

How much money should I be putting aside for tax? 125

What if I can't pay my taxes? What should I do? 126

I've heard the ATO put businesses into liquidation all the time for paying their tax late. Is this true? 128

What about GST? 129

Why are there so many GST codes and what do they mean? 131

The dreaded BAS 133

This is starting to get complicated – should I get a bookkeeper? 136

So where is the line between tax agent and BAS agent? How do I know who does what or should be doing what? 143

Audits ... arrrrrghhhhh 144

9. 30 June is not the end of the world 147

What do I need to do, when and how? 147

PART IV: TAKING CONTROL OF YOUR BUSINESS

10. Keeping an eye on how your business is tracking 153

What reports should I be running and what do they mean? 154

How often should I run these reports? 159

Are there any other useful reports I should run? 159

The difference between profit and cash flow 160

Strategies for avoiding future cash flow headaches 166

You need a plan 170

Working out your break-even point 175

Conclusion 177

Key dates that every business owner needs to know 179
